Regarding the Handling of Personal Data in Compliance with Legal Data-Protection Requirements in the Application Procedure

I am aware that in the course of the application procedure I shall gain knowledge of particularly sensitive personal data which I am obliged to treat in compliance with the legal requirements for data protection.

I will not disclose to, or discuss with, third parties any application documents, the content of selection interviews or the results thereof, nor will I give third parties the opportunity to gain unauthorized access to them by means of neglecting the requirements of due diligence in handling sensitive data.

I will not make unnecessary duplicates of electronic documents that I receive for the purpose of inspection.

Upon completion of the procedure, I will immediately destroy/delete any copies/prints made.
